In the Matter of:

NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF ELZIE	)	CASE NO. 8546-Q
NEELEY GAS COMPANY, INC.	)	

O R D E R

On November 23, 1982, the Commission issued its Order in Case No. 8546 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On October 30, 1984, Elzie Neeley Gas Company, Inc., ("Elzie Neeley") notified the Commission that its wholesale cost of gas had been decreased by its supplier, Columbia Gas of Kentucky, Inc., ("Columbia") effective October 18, 1984, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Elzie Neeley's notice of October 30, 1984, set out certain revisions in rates which Elzie Neeley proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$7,236 or 61.2 cents per Mcf.

(2) Elzie Neeley's wholesale cost of gas was decreased by Columbia effective October 20, 1984.

(3) Elzie Neeley's notice of October 30, 1984, requested an effective date of October 18, 1984, for its proposed rates. The proposed rates should become effective on and after October 20, 1984, to coincide with the effective date of Columbia's decreased rates.

(4) Elzie Neeley should report to the Commission any excess revenues collected during the period from October 20, 1984, to the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

(5) Elzie Neeley's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8546 dated November 23, 1982, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after October 20, 1984.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after October 20, 1984.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Elzie Neeley shall report to the Commission any excess revenues collected during the period from October 20, 1984, to the date the proposed rates are implemented, along with a plan to refund any excess collections.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Elzie Neeley shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 15th day of November, 1984.
